 **BAJAJ** KITCHEN APPLIANCES | 2021-22

NEW OPEN

**OPEN A NEW
WORLD OF
HEALTH AND
HAPPINESS.**

INTRODUCTION

The world is evolving. Cooking is no longer just a chore, but an activity which the whole family indulges in, and derives joy out of it. The father loves waking everyone up with his freshly brewed coffee. No one makes the sweet and spicy chutney like the way mother does. And there isn't a weekend that goes by without the children baking moist, delicious cupcakes for everyone.

Families are adopting new ways of living and at Bajaj Electricals, we are embarking on this journey of new possibilities with you, with a plethora of modern appliances. So, as families evolve, our appliances evolve too, to bring the best of comfort and convenience to every household.

Through innovation, technology and nuanced understanding of the consumers, our new-age appliances and products play a meaningful role in the everyday lives of Indian families, making us India's No.1* Mixing Appliance Brand. So, get on board this journey of making cooking an experience full of happiness for everyone, with Bajaj Kitchen Appliances.

*The claim of India's No. 1 Mixing Appliance Brand is based on an independent market research conducted by a 3rd party for the Financial Year 2020-21. The scope of mixing appliances include Mixer Grinders, Food Processors and Juicer Mixer Grinders.

KEY PRINCIPLES DRIVING OUR INNOVATION

PERFORMANCE

At Bajaj Electricals Limited, we constantly strive to meet the consumer's evolving needs for high performance and efficiency with our products. By introducing unique features like 1000W motor in mixer grinders, multitasker blades and hands-free operation, we ensure that our products perform delightfully and enhance every cooking experience.

CONVENIENCE

Designed to make your life easy, our products deliver maximum comfort and convenience. Our compact and modern appliances are equipped with unique features like blend & carry, digital input & convenience centric accessories which make them very easy to use. The Anti-stain coating prevents the stains from getting accumulated and makes the product easy to clean. Thereby enhancing your cooking experience with peace of mind.

AESTHETIC APPEAL

The contemporary designs and refreshing colour scheme of our products add visual appeal to your kitchen. The high precision craftsmanship and refined aesthetics are at the core of our design principles. This commitment reflects perfectly in our modern and innovative products, which make your life interesting.

Tested against Escherichia coli & Staphylococcus aureus as per JIS Z 2801: 2010. On the coated body, the bacteria will be killed by 99.9% in 24 hours. *Tested for turmeric paste and the stain can be removed by washing/cleaning within 2 hrs. **Easyclean coating on mixer grinder body retains 1.5% dust against 9.7% on other mixer grinder body.(For PU MATT Clear : For Ivora Crimson Red). *Heart healthy cooking compared to traditional cooking methods-53% less Cholesterol content than the traditional methods of cooking. †Heart healthy cooking compared to traditional cooking methods-32% less Cholesterol, 2.2% more PUFA, 34% more MUFA & 23% more Omega Fats than Traditional methods of cooking.

85% LESS FAT
CONSUMPTION*

*Average 85% less fat consumption of samosas made using this samosa maker when compared with deep fried samosas. Samosas are made as per the recipe mentioned in the user manual. **Tested against Escherichia coli & Staphylococcus aureus as per JIS Z 2801: 2010. On the coated body, the bacteria will be killed by 99.9% in 24 hours. **Tested against the virus MS2 Bacteriophage as per ISO 21702: 2019. On the coated body, the virus will be reduced by 99.9% in 24 hours. **Tested for turmeric paste and the stain can be removed by washing/cleaning within 2 hrs. ^^Easyclean coating on mixer grinder body retains 1.5% dust against 9.7% on other mixer grinder body.(For PU MATT Clear : For Ivora Crimson Red). *Nutri-Pro feature in Bajaj Mixer Grinder has been tested for Sodium, Potassium, Calcium, Copper, Iron, Manganese, Phosphorous, Zinc, Vit A, Vit B3, Vit B5, Vit B9, Vit C. This is based on RPD (relative percentage difference) of less than 15%. Ref. Standards : IS, AOAC, AACC & FSSAI Manual. The test was conducted on 6 ingredients i.e., rice, black gram, peanut, turmeric, tomato and papaya. Higher nutrition retention is found in >90% test cases compared to traditional method of stone grinding. Ref. Standards : IS, AOAC, AACC & FSSAI Manual.
