 **BAJAJ** WATER HEATERS | 2021-22

**NEW LIFE OPEN**

---

**OPEN A NEW  
WORLD OF  
POWERFUL  
PERFORMANCE  
AND SAFETY.**

---

## INTRODUCTION

At Bajaj Electricals, we've been on a perpetual journey towards building the future and opening your world to new possibilities and new ways of living. Through innovation, technology and nuanced understanding of the consumers, our new age appliances and products are playing a meaningful role in the everyday lives of Indian families.

To elevate your product experience, we have introduced some incredible new features in our modern and aesthetically appealing Water Heater range. The Titanium Armour Technology improves durability and product life, and the Swirl Flow Technology keeps the water warm for a longer duration. For improved safety, it has a unique Auto-Shut Off feature and the Child Safety Mode avoids any unexpected mishaps. Our care for you and commitment to innovation has made us India's bestselling Water Heater brand\*. We ensure that every product stands true in our benchmark quality test to set an example for the entire product category. As a result, letting you perfectly revitalize your soul as you start the day. Come explore a world of rejuvenation with us.

The claim of India's No. 1\* Electric Water Heater Brand is based on an independent market research conducted by a 3<sup>rd</sup> party for the Financial Year 2020 - 2021.

# FEATURES

**TITANIUM ARMOUR TECHNOLOGY**

Special inner tank coating for preventing corrosion and rusting. Results in long tank life.

**SWIRL FLOW TECHNOLOGY**

Ensures 20% more hot water.

**BEE RATING**

BEE rating assures it's highly energy-efficient.

**PRE-SETTING 24 HOURS IN ADVANCE**

Intelligent timer to pre-set the heat up time; saving energy and time. The settings are not disturbed even in power cuts.

**PUF INSULATION**

The water stays hot for a longer time, thanks to the Polyurethane foam inserted between the outer and inner shells.

**DIGITAL DISPLAY**

The digital display on the water heater shows the temperature of the hot water and time set, if any.

**REMOTE CONTROLLED OPERATION**

Adjust the temperature and timer from a distance of up to 20 feet.

**INTELLIGENT SCHEDULER**

Advance settings for temperature & time.

**APP-ENABLED**

Wi-Fi enabled Android and iOS app enables access and operation of the water heater from anywhere in the world.

**AUTO SHUT-OFF**

The Water Heater goes into Standby Mode if the water is not used within 90 minutes. This enhances safety and saves energy.

**MAGNESIUM ANODE**

The magnesium anode deposits magnesium in the cracks formed due to decay. Thus, ensuring zero erosion by filling the gaps.

**CHILD SAFETY PROTECTION**

Ensures enhanced safety, as the cut-off temperature is marked at 50° Celsius, which safeguards the child from any accidental hazards.

**ADJUSTABLE THERMOSTAT**

Electronic thermostat helps select the precise temperature of water.

**MULTIPLE SAFETY SYSTEMS**

Helps in avoiding any operational hazard, ensuring more safety.

**ISI APPROVED**

A testimony of the product quality.

**FLAME FAILURE PROTECTION**

If the flame gets extinguished, the gas flow will be stopped automatically.

**SUITABLE FOR HIGH-RISE BUILDINGS**

Pressure withstanding capacity up to 8 bar (G+18 floors/270 feet).

**ADJUSTABLE BURNER KNOB**

Increases or decreases fuel burning rate which in turn controls the water temperature.

**RUST-PROOF EXTERNAL BODY**

Prevents rusting and corrosion of water heater from outside, making the product last long.

**PROGRESSIVE LED INDICATOR**

LED colour intensity changes with increasing water temperature indicating the readiness of hot water.

Waterproof sealed terminals with complete safety

Nickel plated heating element for longer life

**OXYGEN DEPLETION SENSOR**

Alerts when the surrounding oxygen level is lower than what is recommended for breathing.

**WARRANTY**

High warranty for complete peace of mind.

**QUALITY APPROVED BY**

**SAFETY APPROVED BY**

Double ISI marking for performance & safety

# STORAGE WATER HEATERS

# SMART.iNXT

- Capacity: 10L
- Voice assisted with Amazon Alexa / Google Home
- IPX5 waterproof technology
- **~App (iOS & Android) & Remote controlled operation**
- **Can be operated from anywhere in the world using the app**
- 100% shockproof
- Tank design is suitable to withstand 8 bar pressure
- Glass lined enamel coated inner tank & element
- Self-diagnosis
- Auto shut-off if water heater is kept idle for 60 minutes
- Fire retardant cable with plug
- Warranty: 2 / 4 / 7 years (Product / Element / Tank)
- Child Safety Temperature settings at 50°C

Download the 'Bajaj.iNXT' App for iOS & Android.

# MONTAGE PLUS

**NEW**

- Capacity: 10L, 15L & 25L
- Efficient long-life copper heating element (3kW) for 33% faster heating
- Shock-resistant ABS outer body
- Magnesium Anode rod
- IPX4 waterproof technology
- Fire retardant cable
- Tank design is suitable to withstand 8 bar pressure
- Warranty: 2 / 2 / 5 years (Product / Element / Tank)

\*Conforms to BEE norms. Due to the process of continuous improvement, specifications are subject to change.  
 †Images are for representation purpose only, actual product may vary in colour/size.

# SHAKTI PC DLX

- Capacity: 10L, 15L & 25L
- India's 1<sup>st</sup> designer pre-coated sheet metal body
- Efficient long-life copper heating element
- Temperature indicating dial
- IPX4 waterproof technology
- Fire retardant cable
- Tank design is suitable to withstand 8 bar pressure
- Warranty: 2 / 3 / 7 years (Product / Element / Tank)

\*Conforms to BEE norms. Due to the process of continuous improvement, specifications are subject to change.

# MAJESTY PC DLX

- Capacity: 10L, 15L & 25L
- India's 1<sup>st</sup> designer pre-coated sheet metal body
- Efficient long-life copper heating element
- Temperature indicating dial
- IPX4 waterproof technology
- Fire retardant cable
- Tank design is suitable to withstand 8 bar pressure
- Warranty: 2 / 3 / 7 years (Product / Element / Tank)

# MAJESTY HORIZONTAL

- Capacity: 15L & 25L
- Efficient long-life copper heating element
- Suitable for floor & wall mounting
- IPX4 waterproof technology
- Fire retardant cable with plug
- Tank design is suitable to withstand 8 bar pressure
- Right wall / left wall mounting options available
- Compact design to fit in less height area
- Warranty: 2 / 3 / 7 years (Product / Element / Tank)

# VERRE 3L

**NEW**

- Capacity: 3L
- Efficient long-life copper heating element (3kW)
- LED indicator for power on and heating function
- Shock-resistant ABS outer body
- Alluring design
- Fire retardant cable
- Tank design is suitable to withstand 8 bar pressure

# JUVEL

- Capacity: 1L & 3L
- Efficient long-life copper heating element (3kW)
- Alluring Prism design
- Shock-resistant ABS outer body
- Hidden LED indicators for power on and heating function
- Fire retardant cable
- Tank design is suitable to withstand 6.5 bar pressure
